

Namibia Medical Society

Position of NMS Regarding the ongoing dispensation saga in Namibia

1. The Namibian Medical Society is a non-profit making organization, registered under section 21 of the company's registration act.
2. We aim to represent the interest of our members in thus ensuring that the best practices prevail within our health system.
3. We are aware of the ongoing dispensation back lock in the country, particularly the private sector.
4. We have, & continue to consult extensively with all stake holders concerned.
5. The legislative process should be respected and members are advised to be patient as all engagements with the relevant stakeholders are being followed up closely and patient information will be availed to members in due time upon availability.
6. The society further urges the line Ministry & key stakeholders to expedite the process as service provision has been affected greatly.
7. The highest cooperation of all members will highly be appreciated in this regards.
